Most of the time, parenting is great fun. You know you are doing a good job. But there are times when things get a little tricky.

Like when your toddler won't eat her dinner.
Or your six year old won't pick up his toys.

Maybe your child never seems to listen.
If only someone could give you some ideas to make those times easier!

Triple P seminars are a great way to get strategies and ways to deal with these types of situations.
