

**Free to attend**

# CoderDojo

Are you interested in creating apps for your phone or building your own website to show off your interests? Young people can learn to do all of this for free at CoderDojo! Dojos are fun spaces where children and teens can use their imagination and creativity to learn cool new skills, and make new friends.

**We are proud to run a Dojo at this location!**

**When we run**

Every Tuesday  
during the school  
semester from  
15:30-17:00

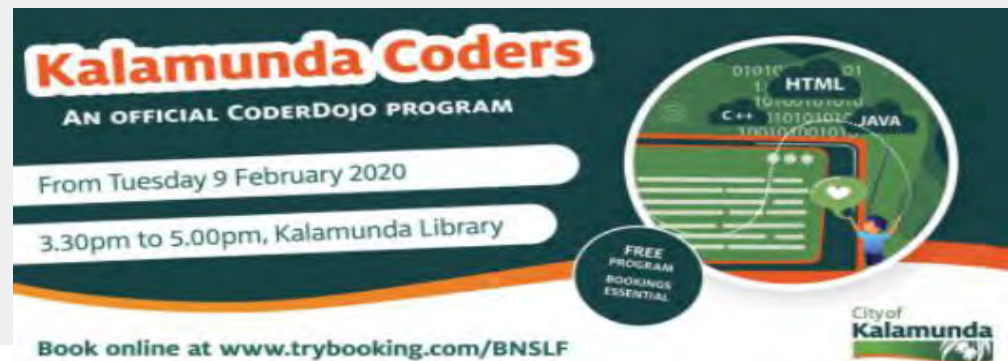

**Where we run**

At the Kalamunda  
Library,  
7 Williams St,  
Kalamunda WA  
6076

**What we cover**

Free beginner  
coding activities.  
Learn to program.
