

GOOSEBERRY HILL PRIMARY SCHOOL

4 Day South West Adventure Camp

Tuesday 10th August - Friday 13th August 2021

Tuesday Day 1: Departing school at 8.30am, we travel down to the South West of Western Australia. We call into Australind for a comfort stop before heading for **Busselton**. We head straight to camp to unpack, run through the rules / boundaries etc and settle in. After lunch, we enjoy the fun of **RADROCK Climbing Wall** (and team building / initiative games). This activity is great exercise and guaranteed to burn off some excess energy! Time for showers & dinner!

Wednesday Day 2: Firstly, we visit **Yallingup Maze**. We enjoy challenging the exciting timber maze, complete with towers & bridges. Students develop strategies and teamwork in negotiating the maze. To stimulate the mind, there are also puzzles & games to play in the café & gift shop area. Also, enjoy the large grassed areas for ball games and wander through the Nature Play area. Be aMAZEd! We have lunch in the grounds before heading to **Ngilgi Cave at Yallingup** - Enjoy a fully guided tour of the ancient showcave & its formations. Learn about the spirit of the cave and try singing in the huge amphitheatre. Experienced guides provide heaps of interesting and educational facts and info! Our last stop on the way home is a very popular place - the famous **Simmo's Ice Creamery** where we enjoy one of the delicious flavours available.

Return to camp for showers and dinner.

Thursday Day 3: After breakfast this morning we travel just out of Busselton to **Forest Adventures South West** for a full- on day of activity. We spend our day here among the majestic trees with our group split into 3 - each will rotate throughout the day with the high ropes courses (including flying foxes, suspended bridges, ladders, many levels of adventure ropes, tarzan ropes etc) - along with various interesting and challenging team building activities and a 15 lane Archery range to complete the rotation. All under qualified and professional instruction.

Friday Day 4: Clean, Pack up and depart camp this morning around 9.00am. On our journey home, we call into the famous **Busselton Jetty** - almost 2km long. We take a walk along the jetty to see locals catching fish and crabs. Then its lunch at Australind before heading back to school arriving approx. 2.30pm.
