MESSAGE FROM THE PRINCIPAL

WELCOME BACK

I would like to welcome everyone back for Term 4 and trust you have all had a relaxing break. It has been great to see everyone back ready to go for Term 4 and have a chat about what you all got up to on the holidays. (We won't mention the AFL Grand Final).

As I said at assembly yesterday we have hit the ground running with Pre-Primary – Year 3 participating in swimming lessons and all students taking part in the Dance Sport Program. Dance Sport will be assessed by staff as part of the Performing Arts Learning Area so all students are encouraged to participate. It is another opportunity for students to express themselves outside the academic areas and develop both social and physical skills.

The next few weeks will be full of activity with the Spring Fair this weekend, Interschool Athletics next Friday, (notes will go home today), Triathlon the following Friday and School Musical that same weekend. Staff and students are also busy finalising academic tests to prepare for Reporting to Parents at the end of the term. On the staffing front, Mrs LeBlanc is on Leave this term and Mrs Stevens will move to full time in Room 9. Mrs Ridge is currently on leave and we have been fortunate to get Miss Stotter back to hold the reins until she returns.

SPRING FAIR

The P&C and its band of helpers are busily preparing for what is shaping up to be a fantastic event this weekend. The Spring Fair will be held from 10am to 4pm this Sunday and there will be a large amount of stalls and activities. I believe I am also making an appearance on the dunking machine at 1pm, so save your tokens should you have a score to settle.

I would like to take this opportunity to thank Nicole Airay and Nicole Ireland and all of the other helpers and stall holders and helpers that have worked tirelessly of the last few months to make this event possible. I look forward to seeing you all there.

SCHOOL BOARD

The next School Board meeting will be next Tuesday night at 6:30pm in the Board Room. This is an open meeting that anyone is able to attend. Matters to be discussed include the reporting of NAPLAN against the School Business Plan, Voluntary Contributions and Charges and School Booklist.

HEALTH NINJA'S

Health Ninja's continues to be a focus this term with Purple Belt focussing on posture, the spin and how posture effects the nervous system. I have been handing out lots of stickers and it is great talking to the students about how they have been earning their points.

Don't forget to join the Health Ninja's Facebook Community so you can support you program.
